Tier 0	Termagaunt Brood	2	1	1	-	Either gain 1 (g) for each unrouted Gaunt or Devourer or place 1 free reinforcement token in this area. For each Gaunt of Devourer destroyed or routed this execution round, reduce damage you suffer in the next execution round by 1.	-	-
Tier 0	Warrior Brood	2	1	1	-	Destroy 1 of your unrouted units to gain 2 (s) and reduce the damage you suffer in the next execution round by 2.	Warrior/ Hive Ship	Reroll all of your [G], [S], or [M].
Tier 0	Winged Horror	2	2	-	-	Destroy 1 of your unrouted units to gain 3 (g).	Warrior/ Devourer	Your enemy may allow you to gain 2 (s). If he does not, add 2 to your offence value in the next execution round.
Tier 2	Crushing Claws	4	1	2	-	Destroy 1 of your unrouted units to gain 3 (g).	Carnifex/ Hive Ship	Spend either 1 [G] or 1 [M] to force your enemy to lose 2 [S].
Tier 2	Scything Talons	4	2	1	-	During this execution round, if enemy has to assign any damage, he assigns 3 additional damage.	Carnifex/ Hive Ship	Destroy 1 unrouted Carnifex or Hive Ship to gain 3 (g) and 2 (s).
Tier 2	Synaptic Control	4	1	1	-	Gain 1 [?]. Place 1 free (R) in this area.	Warrior/ Hive Ship	Rally 1 of your units. Gain either 1 (g) or 1 (s) for each of your unrouted units in excess of the number of your enemys unrouted units.
Tier 3	Glory of the Swarm	6	3	1	-	Spend any number of [M]. For each [M] you spend, gain either 1 [G] or 1 [S].	Bio-Titan/ Hive Ship	Rally all of your units. During this execution round, you assign damage to your enemy's units and bastions.
Tier 3	Overwhelming Presence	6	1	2	-	Destroy 1 of your unrouted units to gain either 3 (g) or 3 (s).	Bio-Titan/ Hive Ship	Force your enemy to choose 3 times to either choose and rout 1 of his units or lose 1 die of his choice.

Enhanced Orders

Tier	Name	Materiel	Effect	Order	Limit
Tier 0	Genestealer Infiltration	1	Gain 1 [?], may spend up to 2 [G] to gain 1 (R) for each [G] you spend	Advance	Orbital Strike, once per round
Tier 1	Breeding Chambers	2	After you resolve this order, may purchase up to 2 units for each unrouted Hive Ship in the active system and place them on any friendly or unfriendly worlds in the active system.	Deploy	Once per round
Tier 1	Capillary Towers	2	After you resolve this order, may destroy any of your units or structures on a world in the active system to temporarily gain materiel equal to their materiel cost. Then use this materiel only to purchase any number of ships and place them on friendly or uncontrolled worlds in the active system. Cache tokens cannot be used and any materiel left is lost. A destroyed city counts towards your Tier for the duration of the purchase.	Strategize	Once per round
Tier 1	Without Number	2	While resolving this order in a system in which you have an unrouted ship, you may place 1 free (R) in the contested area at the start of a reinforce step of combat.	Advance	Once per round
Tier 2	Mycetic Spores	3	Bastions do not prevent orbital strike. Spend up to 2 [G] for each participating Hive Ship. For each [G] you spend, purchase 1 unit Tier 2 or less and place it on the world. This can start a combat after resolving this orbital strike.	Advance	Orbital Strike, once per round, requires breeding chambers.
